# DI eXtreme in Orygun

Need a little *CREATIVITY* on that college application?

**Calling all High School and College students!** Do you miss doing DI, but don't have time for a regular DI challenge? Do you want to list DI on your college applications, but they only want high school activities? Well, we have the answer for you!

Get your friends (or your former team) together to form a team (maximum of 7 members ) and sign up for **DI eXtreme**.

- This is a 1-day event at the Oregon DI State Tournament in Corvallis on 4/10/ 2010.
- No pre- preparation is required.
- Fill out the form and mail it with your fee to Oregon DI no later than **3/1/2010**.

### **More Information**

**Who** - must be a full time HS student or at least a part-time college student to participate.

**What** – a 1-day, 4 hour creative problem solving experience for HS and college students. Teams push the limits and test their skills solving a tasked-based challenge with a dash of performance pizzazz that makes this an EXTREME experience. It is all about having fun while pushing creativity to the max with team building and problem solving skills emphasized.

**When and Where** – Saturday, April 10, 2010 at Crescent Valley HS during the Oregon DI State Tournament.

DI eXtreme is schedule to run from 1:30 to 4:00 with Awards presented at closing awards ceremony in the CVHS Gym.

**Cost** - \$100 per team paid to Oregon Destination ImagiNation. That's it! No national fee and no supplies!

**Can we do both a regular challenge and DI eXtreme?** Yes, you can. Just make sure to put that on your form so you will be scheduled to do both programs.

**What to expect at State:**

A cutting-edge, totally on-site DI eXtreme program. 2008 was our first year to offer DI eXtreme at the state tournament. The crowds LOVED it. The teams had fun and tested their skills against other high school teams. We are hoping to have twice as many teams in 2010. Which challenge will you see? **Rage of the Colossus?** Or **Trajectory?** Who will walk away with this year's trophy for the **MOST EXTREME TEAM in OREGON?**

## DI eXtreme at Global Finals

DI eXtreme is a direct registration for Global Finals; that means any team ( HS or college) that wishes to do one or all of the 3 DI eXtreme challenges at Global Finals in Knoxville, TN may do so. You just need to

register. Global Finals Registration for DI eXtreme opens on 2/1/2010 on the [www.shopdi.org](http://www.shopdi.org) website. **Check it out!**

### 3 Different Challenges at Global Finals

1. **SUPERMAX** - this one goes all night. Start at 6pm one night and present your solution the next day!
2. **ex-TENDO** - 3 separate contests – a head-to-head technical challenge – you receive this part 6 weeks before Global Finals. This gives you time to create your technical “thing” to be tested head-to-head against the competition. You also do a performance – you are given this challenge 3 hours before your performance . Plus you will do an EXTREME Instant Challenge that will truly test your ability. *This challenge is NOT open to those registered on a regular DI team competing at Global Finals.*
3. **MAX Challenge** – a 3 hours DI eXtreme from start to finish.
